The meeting was opened by Supervisor Mulligan.

The invocation was led by Trustee Berens and the Pledge of Allegiance was recited.

Tom Newhoff began by reviewing the Wastewater Master Plan that Prein and Newhof had prepared for the Township in regards to service for the intersection of M-231 and M-45 (March 2014). He showed the four options that were available and the pros and cons of each. The zoning maps were reviewed.

He answered questions and showed estimates for all options that were reviewed.

He explained what force mains are and stated that they are not recommended for residential areas.

Supervisor Mulligan said we would not be making a decision at this time.

Frye made a motion to close. TenBroeke seconded the motion and the meeting adjourned at 7:20 P.M.
