Supervisor Mulligan opened the meeting and explained it was being held to discuss various options to solve the complaints of residents concerning Buchanan Trail and the unsafe conditions.

Several options were discussed.

Ivan Perez from the DNR answered several questions from the audience and Board.

Because 100% of all property owners affected could not agree on one solution the discussions ended and it was decided that the property owners would have to work together on their own to reach a consensus.

Vugteveen made a motion to close that was seconded by Hayward and the meeting adjourned at 9:14 P.M.

**Respectfully submitted
Jackie S. Frye
